The link to order your 2024 yearbook directly from Jostens has closed, but if you didn't order one this spring, you can still order your copy or copies from Shekinah until we run out. The 2024 yearbook is scheduled to be delivered in September. Please don't wait! We'll sell them while supplies last. The first copy per family is \$20. The second copy is \$15, and the third copy is \$10. To order, click on the link below to fill out an order form. Before you order, if you think you might have earned a free yearbook either by winning a challenge question in *The Flame*, or by selling 15 value cards, check with Mrs. Shetler (614-873-3143) to confirm.

Please send or bring your payment to Shekinah Christian School.
