CollegeCredit PLUS

The date for the upcoming CCP informational meeting has been changed from October 14 to **Tuesday, October 15 at 7:00 pm in Room 109A!** College Credit Plus is open to college-ready students in grades 7-12. Funded by state education dollars, CCP can help students earn college and high school credits at the same time by allowing students to take college courses from community colleges or universities. This is a great, cost-free way to get a head start on college. College reps. from seven Ohio colleges have been invited to attend. **If you are considering doing CCP for the 2024-2025 school year, please email lshetler@shekinahchristian.org. to RSVP. If you cannot attend in person, please request a Zoom invitation. Some of the college reps from a distance will likely meet us via Zoom, and we'll share the screen for the presentation.**

How to prepare for the PSAT!

All juniors and some 9th & 10th grade students are registered to take the PSAT on Tuesday, October 29. Bluebook is an app installed on your chrome books. In order to prepare to take the online PSAT/NMSQT, open the Bluebook app and take the practice test. It may update the first time you open it, so it's a good idea to do that before the test day! Watch for more information about where the test will be taken.
